

November Extra 2020 Puck Tie-Break Puzzle

Grid by
Puck

This November Extra puzzle is also the Tie-break Puzzle for the 2020 3D Crosswords World Championship. To qualify for the World Championship, solvers must have successfully solved at least 12 of the 2020 puzzles (which may include the August Extra). This Tie-break puzzle must be correctly solved in order to win the World Championship. It can also form the 12th qualifying puzzle to secure entry.

World Championship entrants must also write and submit two cryptic clues, one each for a word and a phrase obtained from within the solutions of this puzzle. The word to be clued should be found at 5a,w,6d (3-5), with the phrase located at 6d,6a (5,5).

The deadline for submitting both a correct solution and the two clues (if submitting these) is **January 15 2021**.
