Clues are presented in  
alphabetical order of their  
solutions. The Answer Grid has  
larger cells for letter entry and  
boxes for entering 63 and 65.

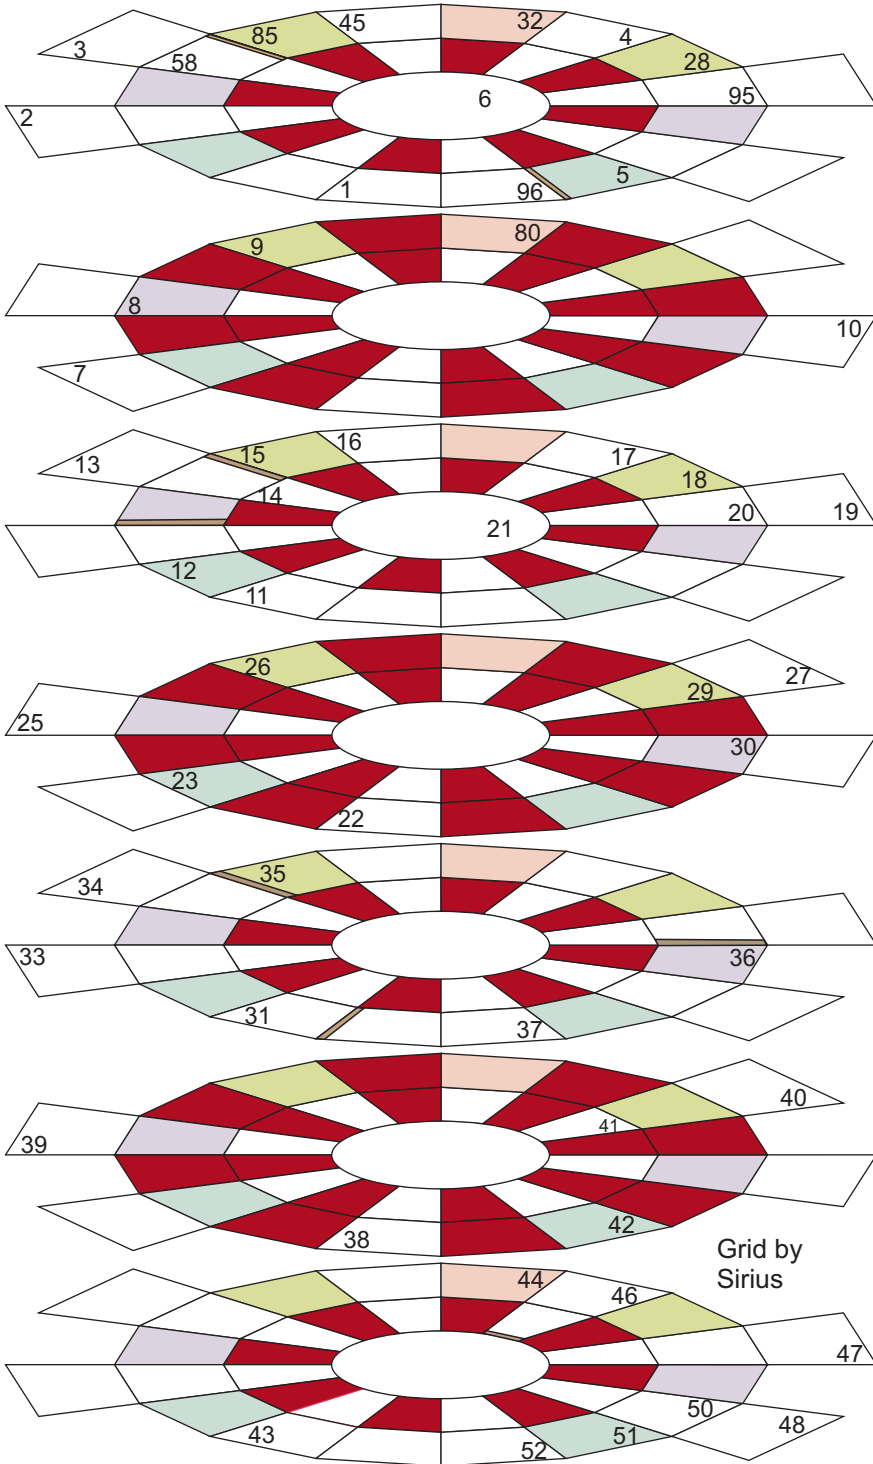

Grid entries are not case  
sensitive. Solutions of  
asterisked clues are of a kind.

Grid entries directed 'tr'  
run from the main 1888 diagram to  
corresponding cells in the  
partial 1895 diagram. Anti-tr  
indicates the reverse direction  
1895 to 1888. Best of luck.
