<p>Asterisked clues lack a definition; their solutions are all items from a possible, not always entirely traditional, 9dn-3,19ba-2 for 10ac. Two of these might go on a third (27ac); the rest might be had for, with, or after a thematic 4aw-2,8ac.</p> <p>An anagram of the highlighted grid cells describes some of the thematic solutions.</p>			<p>Clues are presented in alphabetical order of their solutions.</p>		<p><b>1</b> 28ac*</p> <p>There's not even a clue for this one!
