Highlights:

-  Syntactic Structures
-  Noam Chomsky

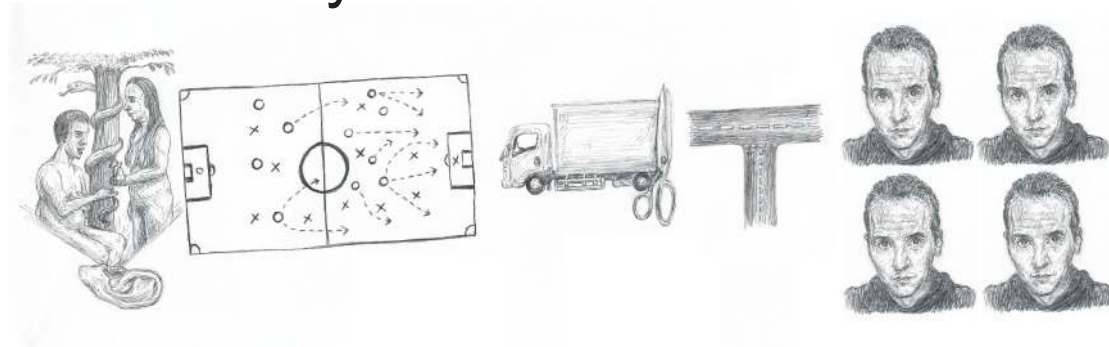

Noting the publication 62 years ago (February 1957) of 'Syntactic Structures' (anagram of green cells) by Noam Chomsky (anagram of mauve cells) which gave us the grammatically correct but nonsense sentence: 'Colorless green ideas dream furiously' (9,5,5,5,9) (2aw,8ac-5,11aw,19aw,10to,18aw,23ac-5)
