

November Extra 2024

Komorník

Gin

Tie-break puzzle

The grid, originally created for September, carries its designer's signature in a suitable place, but no date.

Every clue contains a surplus word, whose first letters in clue order form a three-word phrase (one hyphen) to be sent with your entry. This defines the reason for the puzzle's appearance and justifies the inclusion of seven items — whose relevance takes various forms — clued by wordplay only.

Clues are numbered in alphabetical order of their solutions.
